Suggested Social Media Copy for [September 2024 COVID Information Commons Webinar: Research Lightning Talks](#)

Date: Tuesday, September 23rd, 1:00 - 2:00 (ET)

Event Information:

Meet the scientists seeking new insights on COVID-19. CIC lightning talk webinars bring together researchers studying wide-ranging aspects of the current pandemic, to share their research and answer questions from our community. Learn more about their ongoing efforts in the fight against COVID-19, including opportunities for collaboration.

This webinar will feature the following speakers:

- Kristen Funk, University of North Carolina, Charlotte. [Neurotropic Viral Infection in CNS Aging and Alzheimer's Disease COVID-19 Supplement](#). Funded by NIH National Institute on Aging.

- John Yin, University of Wisconsin, Madison. [Ecological Dynamics of Human Coronavirus](#). Funded by NSF Division of Molecular and Cellular Bioscience.

- Dinesh Bojja, Yale University. ["Sufficient COVID-19 quarantine and testing on international travelers from China."](#) 2023 COVID Information Commons Undergraduate Student Paper Challenge 3rd Place Winner. Funded by NSF through the COVID Information Commons.
