

Suggested Social Media Copy for [Spring 2024 COVID Information Commons Webinar: Research Lightning Talks](#)

Date: Wednesday, May 1st, 3:30 - 4:30 (ET)

Event Information:

Meet the scientists seeking new insights on COVID-19. CIC lightning talk webinars bring together researchers studying wide-ranging aspects of the current pandemic, to share their research and answer questions from our community. Learn more about their ongoing efforts in the fight against COVID-19, including opportunities for collaboration.

This webinar will feature the following speakers:

- Florence Hudson, Columbia University. [CIC-E: COVID Information Commons Extension for Pandemic Recovery](#). Funded by NSF Directorate for Technology, Innovation and Partnerships.
- Gabriela Mustata Wilson, University of Texas, Arlington. [National Initiative to Address COVID-19 Health Disparities Among Populations at High-Risk and Underserved. Including Racial and Ethnic Minority Populations and Rural Communities](#). Funded by Department of Health and Human Services Center for Disease Control and Prevention (CDC).
- Helena Solo-Gabriele, University of Miami. [Wastewater-Based Monitoring of COVID-19](#). Funded by NIH National Institute on Drug Abuse.
- Xiaohong Tan, Bowling Green State University. [SARS-CoV-3](#). Funded by NSF Division of Chemistry.
