

Suggested Social Media Copy for October 2022 COVID Information Commons Webinar: Research Lightning Talks

Date: Tuesday, October 4th, 3:30 - 5:00 (ET)

Event Information:

Meet the scientists seeking new insights on COVID-19. Every month, we bring together a group of researchers studying wide-ranging aspects of the current pandemic, to share their research and answer questions from our community. Learn more about their ongoing efforts in the fight against COVID-19, including opportunities for collaboration.

This webinar will feature the following speakers:

Jennifer Cromley, University of Illinois at Urbana-Champaign. [Understanding graduate engineering student well-being for prediction of retention](#). Funded by NSF Division of Engineering Education and Centers.

Ilya Goldberg, ViQi Inc. [Machine Learning for Early Detection of COVID-19 Plaques in Cells](#). Funded by NSF TIP – Technology, Innovation and Partnerships.

Taylor Van Doren, Sitka Sound Science Center. [Survey Study of COVID-19 Responses in Southeast Alaska](#). Funded by NSF Office of Polar Programs (OPP).
